

Walk 20

A moat, a mine and a mill

General

Route is closer to 6 miles than 5.5

Section 4

'...downhill towards Hook-a-gate village and a kissing gate in the opposite corner of the field.' (not a stile)

Section 6

As of the 12<sup>th</sup> January 2020 the ground between points 6 and 7 (approx. half a mile) is sodden and cattle have made the ground extremely uneven to the point where passing between these two points will require a lot of effort.

ADVICE Cross railway at dotted green line point on map to join
