

Diversion at Doctor's Field

Stage 15 towards Shrewsbury

As you approach Shrewsbury along the River Sever there will be a diversion near to an information board about Charles Darwin:

At SJ48421315, at a noticeboard, a footpath leaves the riverside route to the right, crosses Doctor's Field and climbs up to meet The Mount after 120 metres. Turn left along the pavement for 160 metres until a tarmac path (Hermitage Walk) bears left. Follow this path for a further 170 metres until it meets Drinkwater Street. Turn left and follow this street for 80 metres until you reach the top of some steps. Turn right here (SJ48681308) onto the narrow footpath which is the SWMR.

Stage 15 from Shrewsbury

At the end of a path behind houses overlooking the river:

From the top of the steps at the north end of Drinkwater Street (SJ48681308), follow this street south for 80 metres to Hermitage Walk. Turn right and follow this path for 170 metres until it becomes the pavement of The Mount. Continue along this for a further 160 metres until a narrow footpath between brick walls goes right. Descend this footpath for 120 metres until it joins the riverside footpath at SJ48421315.
