

# Community Rights Of Way Service

1, New Road, Mytholmroyd, HX7 5DZ

**CROWS** volunteers improve and repair footpaths and bridleways in the Upper Calder and Ripponden areas.

They have been working for over 5 years now all over the Upper Calder Valley and work 3 days a week in all weathers clearing footpaths, constructing steps, stiles and boardwalks and helping to keep the countryside accessible for everyone. Their efforts are much appreciated by the Ramblers and other walking groups on their many walks in the area.

## **To report a problem with a path:**

## **Have you enjoyed walking with us?**

The Ramblers' walks offer a friendly environment in which to enjoy the great outdoors without the hassle of navigating yourself. You'll discover the landscape on your doorstep, meet new people and discover new things about the places you pass.

We've not always had the right to explore the beauty of the natural surrounds freely and on foot. Whilst right to access may be something we take for granted nowadays; this is in part possible due to the ongoing work and achievements of the Ramblers Association since its formation in 1935.

## **Yet there is still work to be done!**

Would you be happy if suddenly you were no longer able to walk your favourite path across the moors or through the woodland?

The Ramblers Association works with local governments, highway and planning authorities, volunteers and supporters to protect our rights of way to ensure that the freedom we take for granted is maintained. Your membership would not require hours of your voluntary time dedicated to campaigning activity; you might just take advantage of the weekly walks that are led by 500 local groups across the country. Your support means that the work of the Ramblers Association, its core objectives and campaigns, can continue for the future generations.

**It's easy to join, from as little as £3.05 a month, just visit the following website:**

**Once a member why not download the Ramblers app in App Store or Google Play**

The Ramblers is the biggest walking charity in Great Britain. Membership helps protect your access to Britain's glorious landscapes with the help of over 25,000 volunteers.
