Welcome to the 37th edition of the joint programme covering the Summer programme for 2018. We hope that you find the programme informative and helpful in planning your own walking programme for the next 6 months. You can now download a PDF version of this file to your computer, phone, etc.

The complete programme as printed can be found on the new FVFT website; namely www.fvft-ramblers.org.uk. This website also provides information on any changes that have been notified.

NEW AREA WEB SITE     www.fvft-ramblers.org.uk

This site is intended as a central area of information for the members and volunteers of all groups in the Forth Valley, Fife & Tayside area. There are walk listings in various formats and IMPORTANTLY a prominent panel showing walks that have been altered since this printed programme was published.

More content will be added to the Volunteer Pages in the coming months. Any suggestions for improvements or additions will be considered.

This issue of the programme can be downloaded from the site in PDF format. Several previous editions are also available.

General Information

Walks Grading

The walks in this programme are graded according to the following:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>E</td>
<td>Easy Access Walks for everyone, including people with conventional wheelchairs and pushchairs, using easy access paths. Comfortable shoes or trainers can be worn. Assistance may be needed to push wheelchairs on some sections: visitors are advised to check with the walk leader.</td>
</tr>
<tr>
<td>D</td>
<td>Easy Walks for reasonably fit people. May include unsurfaced rural paths. Walking boots or comfortable footwear and warm, waterproof clothing are recommended. 2 to 5 miles.</td>
</tr>
<tr>
<td>C</td>
<td>Leisurely, mainly on level ground and often paths and tracks.</td>
</tr>
<tr>
<td>C+</td>
<td>Leisurely to moderate, for those with improving fitness, offering some modest challenges.</td>
</tr>
<tr>
<td>B</td>
<td>Moderate, demanding higher standards of fitness and stamina than C+.</td>
</tr>
<tr>
<td>B+</td>
<td>Between moderate and strenuous, for the reasonably fit. Standard grading for summits taken at a slower pace in summer conditions.</td>
</tr>
<tr>
<td>A</td>
<td>Strenuous. For the fit, involving some or all of the following factors: on high or rough ground; with steep ascents and descents; distances over 15 mls.</td>
</tr>
<tr>
<td>A+</td>
<td>Severe. Arduous walks for the experienced and very fit, involving some or all the following factors: high, exposed ground; steep ascents and descents; brisk pace; distance over 15 miles. Standard grading for hill-walking in winter conditions.</td>
</tr>
</tbody>
</table>

The grade is intended as a rough guide only. More information is supplied in each entry.

Walker’s Responsibilities

Walkers must be 18+ or accompanied by an adult holding parental responsibility. Ramblers volunteers cannot provide direct care and supervision to children under 15. Instead the children must be accompanied by an adult who holds parental responsibility, such as a parent, legal guardian, carer, teacher or youth worker.

Unaccompanied walkers aged 15-17 are welcome (except on overnight stays) with a valid 15-17 Year Old Parental Consent Card, obtainable free from Ramblers main office, tel 020 7339 8500 or see www.ramblers.org.uk/localgroups.

If you are unsure of the suitability of a walk contact the Walk Leader beforehand. It is not always possible to shorten a walk if you are overexerting yourself; choose a grade of walk suitable to your level of fitness and experience.
All sporting and leisure activities have inherent hazards associated with them and rambling is no exception. In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important, therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise. Personal accident insurance is available from several sources. The Walk Leader or Deputy must be a member of the RA. The Leader may change a walk at his/her discretion. Members or visitors should not leave a walk without informing the Leader or divert from a walk without the agreement of the Leader. Many groups carry a first aid kit and/or mobile phone. Individuals are reminded that they are responsible for carrying any special medication that they require for personal use. Walkers must also inform the Walk Leader of any medical condition that could affect their ability to complete the walk.

**Dogs** are not generally suitable on most walks; however some walks are indicated as being suitable for dogs. **Please note:** for all walks Registered Assistance Dogs (RADO) are welcome.

**The Weather**

Listen to the weather forecast (hill walkers’ forecast on Radio Scotland) and prepare accordingly. If extreme weather is expected the walk may be cancelled. If you are in doubt, contact the Walk Leader.

**Clothing and Equipment**

Dress according to the season. *Note:* Denim clothes are not suitable.

**Winter:** thermal base layer and layers of clothing, (shirt, trousers, jumper or fleece, and a windproof shell, plus hat, scarf, and gloves). A waterproof jacket (with hood) and waterproof trousers are also needed.

**Summer:** wear fewer, thinner layers but take sun protection.

Wear well-fitting walking boots and take a rucksack to carry your gear.

**Food and Drink**

In general, for a day walk take a flask containing a hot drink, a packed lunch, and various snacks. In warmer weather extra liquid is **essential.**

**Ticks**

Some of the areas walked may contain ticks, which are known to be a source of infection in humans. It is advised that you wear long trousers, a long sleeved shirt and a hat, even in summer. It is also advisable to tuck your trousers into your socks and apply insect repellent. Examine yourself for ticks after a walk and if you find one remove it immediately and cleanly using fine-tipped tweezers or a special tick removal tool. Care is necessary to avoid leaving the mouth parts in the skin; hence you should grasp the tick as close to the skin as possible and pull upwards, slowly but firmly. Once removed apply antiseptic and keep an eye on it for some weeks. The concern is for Lyme Disease, the usual early signs are for an expanding rash. It can be treated but it is serious if neglected. Any unusual reaction should be followed up by a visit to your general practitioner for further advice.
**Transport**

Generally cars are used to transport walkers to the start of a walk; car sharing is encouraged. Abbreviations for car parks used as pick up points are included in this programme.

When car sharing, it is recommended that car passengers make a contribution to the running costs, the method of calculation and mileage rates are set by individual groups. Car drivers are reminded to call in at the pick up point prior to departure for the walk if they have a spare seat. Passengers are advised to take shoes and a bag for dirty boots and spare dry clothes in wet weather. The times given in this programme are departure times, if you are from a different group and/or going straight to the start of the walk, it is recommended that you contact the Walk Leader beforehand.

Walks may also use public transport, the fare may be indicated and it is the individual’s responsibility to pay. Various walks use hired minibuses, in this case the person responsible, a deadline for booking, and (possibly) a fee will be indicated in the programme. If you book a place on a bus and then find that you must cancel at a later date, unless a replacement is found, you may still be liable for the full cost.

**Cancelling Walks**

Groups may have their own accepted procedure; but it is expected that if a walk has to be cancelled due to weather or other reasons, that the Leader or a deputy will go to the normal Group Meeting Point to advise any walkers of the change in plans. It should not be assumed that a Leader will go to the walk start, since this might mean extensive travel in possibly poor conditions. When weather conditions are likely to be poor all walkers planning on going directly to the walk start should confirm by phone with the Walk Leader if the walk will go ahead or not. The Walk Leader should make a note of the phone number of any visitors that indicate their intention of attending the walk and ring them back if the walk is to be cancelled.

SPECIAL GROUPS

Glenrothes Strollers walks
On most Thursdays over the dates of the programme, Glenrothes Strollers have a midweek walk, to which all are welcome. The walk is selected by the walk leaders on the week of the walk, the location and distance depending on the weather conditions. To go on the walk, meet at St. Columba's Church.

Grade C: 4 - 6 miles 2.5 - 3.5 hours. Meet/Time: St Columba’s Church CP at 10.00 OS: 59 GR: NO269009 Description: A short local walk (mostly within a 10 mile radius of Glenrothes), for details call one of the leaders.

Leaders: Linda Aitken or Gill Hagger 01592 757144 or 01592 563039

Kinross & Ochil Tuesday Walkers
These walks usually take place every second Tuesday. All are welcome.
All walks are Grade C: maximum 4 miles, approx 2 hours, and usually within a 10-mile radius of Kinross. Meet/Time: Kinross Park & Ride (KPR) at 10.00 OS: 58 GR: NO112025
Description: For details of any walk, please phone leader.
Leader: Edna Burnett, 01577 862977.

Dundee Ramblers Family Walks
A sub group of the Dundee Ramblers has been started to provide short walks suitable for families with or without children. Dogs are welcome but may need to be on leads. Contact Jean MacGillivray, Secretary Dundee or look up www.meetup.com/Dundee-Ramblers-Family-Walks-Meetup

Tayside Young Walkers
This is a group founded in February 2014 to provide an opportunity for walkers in the age groups of 20s, 30s and 40s to walk together and enjoy various social events. The group now has over 900 walkers attached to it. The group is linked to the Ramblers organisation and those walking regularly are expected to join the Ramblers. Walks are set up using Meetup, and to ensure that numbers are manageable, people are expected to place themselves on a list to attend.
Details can be seen at https://www.meetup.com/Tayside-Young-Walkers
Those of you in the younger age brackets are welcome to walk with them.
Contact: Angharad Gibreel - email myfanwy_1@hotmail.com

Perth A Walkers
Perth have been running their A Walkers Group over 2017 in order to provide a programme of walks dedicated to those members wanting to undertake more demanding walks including Munros and Corbetts. As much as possible the walks will be advertised on the group webpage and by direct email contact to those who have indicated an interest. Dates will change, however, in accordance with the vagaries of the weather.
Main contact for this subgroup is Gil McGeachy: gil.mcgeachy@gmail.com

Core Paths
When planning a walk, we all make use of OS maps and sometimes such valuable resources as the Walkhighlands website as well as the many guide books around – particularly the really excellent Cicerone Guides. But don’t forget we now have another resource – Core Paths. Details are available on the website for your Council.

The image above is from the interactive core path map for PK Council. You can then select a particular area and zoom down to get the real detail. Similar maps are available for the other councils in our area. Below is part of the interactive map for Fife Council.

Group Reports for 2017

Kinross and Ochil Group
Over the last year we have managed a full programme of walks some of them were very challenging due to the wet weather. Grade C and C+ remain the most popular. Numbers vary but Tuesday walks have done better than the weekends. Membership remains at 67.
In June we spent the weekend in Galashiels with excellent company, accommodation and food. Walks were varied and interesting unfortunately the weather was mixed. The Saturday walk in the Eildon Hills was very challenging, battling against strong winds and driving rain.
This year our treasurer resigned after 6 years he and his wife moved to North Berwick. Sadly one of our founder members passed away unexpectedly in September, he held committee positions both at group and area level. (Margaret Best – Convenor).

Stirling, Falkirk & District
We enjoyed a full and varied programme of walks over the year. We enjoyed the company of President Ben Dolphin on one of these. The group climbed 4 Munros over the summer: probably a record for us. There were well attended weekends away to Newtonmore and Arrochar. As usual, these proved to be very enjoyable and some poor weather did not dampen our spirits. Our group hosted Scottish Council in Dunblane in March 2017 and we organised walks for attendees. Our coach walks continue to be well supported as do our social events. Many thanks to those who make it all possible. (Colin Thomson).

Dundee Ramblers
Once again Dundee Ramblers have had a very successful year with walks at all levels. We have had Saturday, Sunday and midweek walks on the programme and extra walks are added to the Facebook Page. These walks are open to all Ramblers. We have also started a Twitter page but as yet not many tweets from members but retweets and likes from Ramblers Scotland and other Outdoor Groups. Many members attended the Ramblers Gathering in Newtonmore and our own weekend away in Fort William. 4 members climbed Ben Nevis – well done. We held our usual social events – Fish Supper Night, Day Away in Glasgow and our Christmas Meal in the Queens Hotel. Unfortunately, our Annual Meal at Dundee College was cancelled due to a lecturer’s strike. Hopefully we can go in 2018. (Jean MacGilvray)

Dundee Family Walking Group
This is proving very popular and we now have 4 regular Walk Leaders. We have had a variety of walks including Dundee Law, Quayrammill Park, Den of Alyth, Kinnoull Hill and Backmuir Woods. We held a back to school walk and picnic round Clatto Park, a Halloween walk in Crombie Park with a visit from Hamish, Mascot of Tayside Mountain Rescue and a Christmas walk at Piper Dam. These walks are open to all and we specially invite anyone from the Area to join us. You don’t need to have children to come along but be prepared the pace is not fast as there are trees to climb and interesting things to look at. You can find our walks on: meetup.com/Dundee-Ramblers-Family-Walks-Meetup

Dalgety Bay & District
The past year has been successful. We carry out over 50 scheduled walks of varying grades and in contrasting localities. Our weekend away to Blairgowrie was enjoyable despite the indifferent weather. We do have a sizeable number of walk leaders. What I find particularly impressive about the Group’s activities is the good spirit which exists on walks and in the post walk refreshment
stops. I would also add the excellent co-operation which exists between walk leaders aiding each other in carrying out walk recces. It is particularly gratifying when members put themselves forward to lead walks for the first time in the knowledge that there is a reservoir of expertise and knowledge to mentor prospective walk leaders. This year, when The Fife Pilgrim Way is available for walkers, the Group have agreed to ‘audit’ the section between North Queensferry and Dunfermline. (Ben Douglas - Chairman).

Forfar
We have enjoyed another year with a varied programme of walks. It has been interesting to note that the largest turnouts have been on walks which were new to us and/or which included elements of historical or seasonal interest. In February Lady Augusta’s walk at the House of Dun through carpets of snowdrops was a great success. Closer to home, an urban walk in Dundee brought to our attention several landmarks which many of us had been unaware of. Thanks are due to our small band of walk leaders who do sterling work year after year. Social events remain as popular as ever. We had a great day out in Stirling, learning a bit about the history of the town and enjoying high tea in The Golden Lion. Our weekend away took us again to Crieff with lovely, scenic walks in fine weather and quizzes in the evening adding to the fun. Our Christmas meal, was held at Chapelbank in Forfar.

Perth Group.
A full programme of Saturday and Wednesday walks was organised including two bus trips to Braemar and to Peebles. Our usual long weekend this year was to Portpatrick in the far south-west. This was in May and the weather was glorious and the Portpatrick Hotel proved to be top class. A first for the group (at least for some years) was an overseas trip. This was a walking holiday in Greece in which 25 members took part in late October. Again, the weather was really kind, but to be expected in Greece. We also started our A-Walkers Sub Group. This is designed to provide more demanding walks for those ramblers that would like to stretch themselves on more serious hills or longer distances. This group is of course open to all Ramblers and contact details are given in the programme.

Glenrothes Group
We have enjoyed another year with a great mixture of walks over all seasons and in various parts of the country. We continue to offer walks every alternate Saturday/Sunday and every Thursday. This is in no small part due to the dedication of our many walk leaders. Numbers attending the weekend walks have reduced this year; the Thursday “Strollers” are continuing to thrive with attendances remaining good.

We arranged a summer coach trip to Balquidder. Members had a choice of two great walks and enjoyed high tea at the Kenmore Hotel. Our weekend away in Aberfoyle was well attended with a great variety of walks for all abilities. We held our 24th A.G.M. in November and welcomed Andy

The group in Greece
Cloquet who is a member of the Ochils Mountain Rescue Team. He provided a very interesting and informative insight into the work of the O.M.R.

The Group’s membership has been stable now for several years - currently 104. We are looking forward to more great walking and good companionship in 2018.

**Blairegowrie Group**

We had successful trips to Speyside (our day away) and to Strathpeffer (our weekend away). Our ‘Winter Walk and Lunch’ was well attended and the good weather and fine food was much appreciated. The group are planning a day away to Falkirk Wheel and a weekend in the Borders. Like most groups some members have left but we have also welcomed several new members. Some of our members have also benefitted from the First Aid and walk Leader courses and are waiting for the Navigation Courses later in the year.

*A member of the Blairstowrie Group having problems understanding his new GPS*

**Kirkcaldy**

We had a varied programme of walks, including the popular short monthly Daunderers walks in and around Kirkcaldy. We also enjoyed two weekends away at Grantown-on-Spey in April and Arrochar in September. The latter will be remembered fondly or otherwise by all who were there. On the Sunday we took the ferry from Tarbet to Inversnaid, then walked along the section of the West Highl and way south to Rowardennan for the ferry back to Tarbet. However the weather was, to be generous, inclement making the going rather slower than anticipated – we made the ferry with just 5 minutes to spare!

**St. Andrews & N.E. Fife**

Despite some very poor weather (first in over 10 years) for our annual holiday last June in Strathpeffer, it has not put off members for fully booking up another fun week in June. A recent survey of our regular walks indicated that there was little difference in support for Wednesdays, Saturdays or Sundays, so we are continuing in Summer 2018 with 2 Saturdays to 1 Sunday walk, and 1 monthly Wednesday walk, designed to be easier, shorter and more local.

During the winter, a few members attended a very successful First Aid Training Day, organised by Ramblers Scotland.

Recently 2 of our members represented the Group at the Town & Gown social interaction between local community organisations and St Andrews University.
After an extremely successful fund-raising effort, we have been able to recently publish new Local Walks Leaflets for both St Andrews and Cupar. They are free of charge, can be downloaded from our Group or from Area website; hard copies can be procured from a number of locations; send email to wh.aiiken@gmail.com.

As usual, we will be sending 2 members to the Scottish Council meeting.

Over the winter, we have had good attendance at most walks, some members not being off with some snow, only a few walks having to be cancelled. Our mid-week leisurely walks are proving popular with members who can no longer manage the longer weekend walks.

**Brechin**

Ramblers have had a busy year with walks for all abilities. Thanks to our enthusiastic walk leaders we were able to provide a wide variety of walk with a Munro thrown into the mix. Each walk was well attend with an average of 25 members and visitors attending.

In March we had a cheese and wine evening welcoming some old and new members. A pleasant evening had by all.

Our AGM held in September so some changes to the Committee with myself voted on as Chairperson and Loraig Alexander as Vice. We were also able elect 2 new members to our committee.

October saw 11 members including myself and my Vice attending a first aid course with further members keen to attend leadership and Navigation in 2018.

Our year concluded with a walk around Montrose and Christmas lunch at the Royal Montrose Golf club. Highly recommended!

We are looking forward to 2018 with enthusiasm. (Ellen Smith Chairperson).

**Tayside Young Walkers**

We have a very diverse group of people from various culture and background, and a great way to meet new people, explore the area and improve your fitness and health! 😊

During the year of 2017, we saw 213 new members join our group., there were a number of walks hosted by our dedicated volunteer walkers of some beautiful and varied walks for our members, 2017 saw the following activities:

*Walk before the Christmas Party*
• Multiple Munros walks for a variety of fitness levels from long multiple Munros days to shorter Munros days.
• Various lower level walks to target range of group members we have.
• Annual events like our Christmas event of which includes a walk and meal after and our Annual Glen Coe weekend of which include a whole weekend at Glen co with various walks and plenty of chance to chat and get to know each other and walkers from Dunfermline

We've had a very good year, putting on 45 walks, locally and further afield including the Borders, Strathclyde and Perthshire, with an enthusiastic team of walk leaders. We've recently welcomed a number of new faces, including some new members and visitors from other groups. In addition we have made financial donations in support of the Ochils Mountain Rescue Team and the West Fife Woodlands Group,” (Alan McGuckin)

If you are walking with a group other than your own:

Phone the walk leader and confirm the meeting place and time.
Leave your full name, address and telephone number in the walks book.
Tell the walk leader if you have any relevant medical condition.
Socialise, particularly if there is a large number of you from another group.
Don’t leave the walk without telling the walk leader.
Thank the walk leader at the end of the walk.
A moment to pause. Breathing in clear air.
Sharing interests and conversations as you ponder the hills ahead. We have your passion for exploring worldwide and in the UK.

Choose any of our holidays and we'll contribute funds through The Walking Partnership to your group. Just tell us their name when you book.
