### Chair's Welcome

A very warm welcome to our beautiful and varied Northumbria countryside.

Our Area stretches from north Co Durham to the Scottish borders and we have 14 groups, offering walks of varied terrain and length, who are always happy to welcome visitors.

I hope that you will find a walk and group that will enable you to enjoy what we have to offer, to take away happy memories and come back soon!

### Dogs on Walks

Some groups do not allow accompanying dogs, apart from Registered Assistance Dogs. Please ask the walk's leader if this is the policy.

### Ramblers' Association Objectives

The objectives of the Ramblers' Association are to promote walking, protect rights of way, campaign for access to open country and defend the beauty of the countryside.

### Northumbria Area Annual General Meeting

Saturday 4<sup>th</sup> February 2017 at 2pm

The Tyneside Group will be delighted to welcome new walkers at any or all of its four sub-Groups. Every week, on Sundays and Wednesdays, there are organised walks based on coach transport. It's best to book in advance to ensure a seat because it is not unknown for the coaches to be full. Payment is usually made a week in advance but, for those making a late booking, there are arrangements for payment on the coach. New walkers should contact the relevant Coach Organiser by telephone in the first instance. Details are shown in the following pages. Coach Organisers will happily give advise about administrative arrangements concerning advance bookings and cancellations. There is a choice of several walks on each outing. These usually start from different points en route but converge to meet the coaches for the return journey. Walks invariably end at a pub for refreshments and socialising. The return times given are from the departure point, not the arrival in Newcastle. For safety reasons, walkers must stay with the organised ramble that they have chosen.

There is also a variety of Social Activities to join in. Non-members are welcome.
