The Official Guide

As we prepare to celebrate the completion of the Shropshire Way Main Route, we are delighted to announce that the Cicerone Guidebook to the Shropshire Way is being printed and will be on sale from **15th November 2019**. John Gillham the author has been busy walking the route, taking photographs and writing excellent directions, ably assisted by his wife Nicola. The drafts were checked by some of our champions and route queries were resolved by a team effort with the Shropshire Way Association and Shropshire Councils.

Charitable Status for SWA

Procedures are well underway for the SWA to become a Charitable Trust. A draft Trust Deed has been drawn up and a Special General Meeting will be called to complete the process and appoint trustees.
